As you put your plans into action, **Call Paul** and ask him to notify other MLCCC Members to join in to promote club memories and lasting friendships . (*Of course any and all "afterglow" photos welcome*)

As we go this year let's remember those who have gone on as well as those who are in health recovery with memories past and yet to come . Always be on the look out for new members to join in as we continue to press on by enjoying our hobby of **"Classic Cars / Pickups / Motorcycles / Tractors"**

Always Safe Cruising // No road Raging // Help when you can // Enjoy your ride
