Thanks Gang !

For your support of these extended community events in our Classic Car quest to be actively involved in and around Central Eastern Washington ~ Fun & Cruising Capital of Grant County.

Thanks' also for your great work to stage our **MEMORIAL DAY SPRINGFEST OPENING WELCOME.**

The **FIRST ANNUAL ~~ Cruise Night Out in Moses Lake ~~** Designed to Meet & Greet Car Buffs to our fair City while enjoying the 4 Day event and join in on all Annual Springfest Celebration activities. MLCCC counted about 75 to 80 cars from Oregon // Idaho // of course Washington.

Yep! cartalk was on // new friends & past acquaintances // 50/50 Raffle // Give aways // supported by 13 local food vendor businesses // Special Jacket open bid auction // Sale of Special Event Tee Shirts (**Sold Out Fast**). BOD deemed it a re-do-able success and so did the folks attending that gave us positive feedback. That's encouraging, so we learned a few things // had fun doing it // made some money // we were honored in the **BIG CAR SHOW ON 3RD AVENUE** for our 50 Years of Moses Lake Classic Car Club's contributions to the community. **Even coined a new MOTTO:**
