

PRESIDENTS CORNER

Greetings to you all! It's been an action packed summer for cruising and that found us together sometimes // or a few at a time // or just solo driving adventures as my wife and I like to call them. Anxious to hear / share stories of all the miles we've logged between the fog lines.

October 13th, 2022 - Live in person meetings resume – be prepared to share your post COVID cruises and convince us all they were fun enough to schedule our upcoming **2023 CRUISING SEASON**"

Now, looking forward (September 15th, 2022) to our final participation in support of the **RED DOOR CAFÉ** linked with the **City of Moses Lake Downtown Association's "THIRD THURSDAY FESTIVAL"** // also called **MLCCC's Date Night**", ends this event for the season. **Please show up?**

"Thanks" to all who supported this community cooperation via MLCCC Clubs presence and fun event for us. The joy of a no cook night out was voiced several times by our ladies smiles and laughter. **Bless them one and all!**

Several MLCC Clubber's cruised to Warden Car show to Gordy's Studebaker delight. Some even back hauled trophy's for their effort. They registered 36 cars and said that they really only expected about 10 or so. They called it "A WONDERFUL TURN OUT" .. **"YES"** it did rain, but just enough to mess up the show and shine of course. Their \$ 5.00 hamburgers were great, and I saw our folks downing more than one. Fun day with close neighboring community. **"BIG "KUDOS"** to the mostly lady hosts and helpers for job well done. **"YEP"** They're already making plans for bigger and better in 2023. **Refreshing isn't it! Forward vision!**

We were hosted next by Charlie and Vicky at the backyard BBQ and we all ate more than we needed, but did it anyway. (*Shame on us uh?*) .. "Thanks with **"BIG KUDOS"** a great laid back time. We also wished Karen a happy birthday (you ask her age yourself if you really need to know).

September 6th, 2022 found us at it again, this time guests of the **Moses Lake Chamber of Commerce – "AFTER HOURS EVENT"** – co-hosted by **PERFECTION TIRE** and **HOT SPRING SPA**. Our Show and Shine was not well attended by club members, *however*, those of us who did, found all the FREE Street Taco's and Beverage we wanted. A great night of mixing with new and well acquainted friends from around the Moses Lake Business community. **"YES"** there was a live band in the shaded parking lot and we enjoyed them very loud and clear. They called themselves : **FREE BEER NUTS (?)** PLAYING SONGS OF THE 60's 70's 80's and we knew most of them?

Cruise on folks! See you next as we've teamed up with the **CENTRAL BASIN COMMUNITY CONCERT ASSOCIATION** to add a little mood setting of the 50's era as they present their live stage show of **"TRIBUTE TO THE EVERLY BROTHERS"** in **"THE EVERLY SET"** .. You must call **BOB KENT** and sign up to get the **MLCC CLUB DISCOUNT TICKET**, given to the club as a thank you for staging and sharing your car in **SHOW & SHINE - CLASSIC'S IN REVIEW"** to start the evening. **ALL OF THE DETAILS ARE POSTED ON MLCCC's WEB SITE** .. Questions call Dave (509) 452 – 6533 . It's Date Night again folks .. Guy's .. **"YES you should ask"** - *chivalry is not dead*.. let's enjoy this evening out with new friends that don't even know we'll be new friends yet UH?

We've still got some cruising to do yet folks .. don't give up until the snow flies UH?

"Thanks for your interest and ongoing life of MLCCC. OK, I'll say it LOVE YA - Dave
