"Thanks for your support of another BOD 2022 Planned Activity".

This time we teamed up with the Moses Lake Police Department to produce the Departments first ever fund raiser in support of a National Affiliation with :

[BLUEBRIDGE ALLIANCE](#) - donations all kept in our local community .

(Donations received help them assist community members in urgent need)

(More Information : (BlueBridge Alliance <https://bluebridgealliance.org>)

It was fun to stage in our downtown city parking lots along side of other car clubs, such as "DIVERSE SOCEITY" and their late model hot rod cruisers that we would call "HOPPED UP" cars of today . Nicely done and well kept too !

GENERATION GAP ? "YES" both cars and people .. but we also saw it all melt away as we mingled and talked cars with new found friends of our town.

"YES" We all devoured about 12 dozen donuts during the morning event and the "FAMOUS FARMHOUSE COFFEE" was a short walk and a very busy addition adding to the days success of about 47 cars in all . 14 from MLCCC .

We also received a special hand shake "THANK YOU" from MLPD

Chief : *Kevin Fuhr* and his Organizational Officer : *Ian Campbell & staff* .

" Let's do it again next year even bigger and better ! "OK WITH US" (Right ?)
