Clay & Karen Crook's '92 Geo Convertible & '97 Geo 2 Door

Clay & Karen Crook

***Summer-* Blue 1992 Geo Convertible 3 cylinder (41 mpg)**

***Winter -* Red 1997 Geo 2 door 4 cylinder (44 mpg)**

This year the '92 was driven in the summer and is going south for a while. The '97 has been in a shop since June of 2014.

I told the shop people that the '97 was not a priority.

It has spent all the time in the same bay and on the hoist since June as obtaining the correct parts has been a real problem.

It may be ready by January of 2015.
