Club History

The Moses Lake Classic Car Club celebrated its 50th year of pursuing our love and passion of classic cars, trucks, tractors, motorcycles, and bicycles. Originally called “The Columbia Basic Horseless Carriage Club”, the MLCCC has always been about fun and fellowship. Community “give back” has been our focus as we find ways to help complete planned events of long-standing traditions and community betterment. MLCCC has been active in scholarship programs, charitable donations of many community-based organizations, and presentation of our classic cars for local holiday day celebrations and parades – all spanning the last 50 years. Our members live in Moses Lake, Central Washington and surrounding communities. We support local charities and businesses in an effort to “give back”.

Our motto is “Safe, courteous cruising | Help where you can | No road raging | Enjoy your ride”.

“

“The best part about the Moses Lake Classic Car Club is that it’s member-owned, meaning members get out of it what they put into it. Many hands make light work.”
